Santa Monica, CA 90402
310-394-9266

The Palisades Beach Club (PBC) is located north of the Santa Monica Incline (at California Ave. and Ocean Ave.) on the ocean side of Pacific Coast Highway (PCH) between The Beach Club (Santa Monica) and the Annenberg Community Beach House.

PBC is an A-frame, single story house set back behind a small parking lot with a black wrought iron gate and fence with brick pillars on PCH. Please be cautious turning into and out of the club; traffic moves very fast on PCH.

Coming from the **south**:

- Take the Santa Monica Freeway (10) through the tunnel onto PCH North.
- Go 1.8 miles, past "Beach House Way" which is the signal intersection just south of our club.

- The PBC will be on your left. (Look for the three-story modern condo on the ocean side; PBC is next door.)

Coming from **San Vicente Blvd.**,

- Turn right on 7th Street (0.5 miles)
- Continue straight on West Channel Road 0.1 miles.
- Turn left on Mesa Road into Santa Monica Canyon (0.3 miles)
- Turn left onto CA-1 South / PCH / Palisades Beach Road (all same street) approximately 0.2 miles
- Turn right into the PBC parking lot with gated fence.

Coming from the **north**:

- PCH CA-1 past the intersection of Chautauqua Blvd., West Channel Road and Entrada Drive.
- Turn right approximately 0.2 miles. (You will pass The Beach Club and a small white house with blue trim. PBC is next door, black iron gate with brick columns.)

* Note: Pacific Coast Highway, Palisades Beach Road, and Ocean Front Walk are all the same street!

PALISADES BEACH CLUB RULES AND POLICIES

I. GENERAL RULES AND POLICIES

April 2022

It is the primary obligation of every member to use the Club with respect and consideration for the benefit of all other members. The successful operation of the Club depends almost entirely upon thoughtfulness and courtesy. We must see that members, guests and their children observe the following:

1. Keys are to be used by members and their children only. Under no circumstances are keys to be loaned to non-members. Guests are never permitted at the Club without the host member being present. Children should never lend keys to a friend.
2. The entrance gate is to remain locked at all times, except when expecting guests to arrive.
3. Please clean and put away any item of Club property or equipment which has been used. Make note on the maintenance list posted in the kitchen of any items that are missing or need to be replaced or repaired.
4. Each member is responsible for washing his/her own dishes and leaving the kitchen clean. On crowded evenings when both dishwashers are full, it is acceptable to thoroughly rinse and stack dishes for Gustavo to wash and put away the following morning. NOTE: Be sure to start the dishwasher(s) before leaving the Club. The tables and countertops should be wiped, locker rooms put in order and cushions put away. In the summer (May – October), Gustavo works 9:00 am – 6:00 pm Thursday – Monday with Tuesdays and Wednesdays off. November – April, Gustavo works 9:00 am – 4:00 pm Tuesday through Saturday with Sundays and Mondays off. Any mess must be thoroughly cleaned up by the members on Gustavo's days off. A \$150.00 clean-up fee will be billed to those members who fail to leave the Club clean for their

fellow members after they leave or by no later than 9:00 AM the following morning. No exceptions for holidays.

5. Inside furniture and white locker room towels should not be taken onto the beach. The Club has a limited supply of beach towels for member use. Please bring your own if you want to be sure of having one.
6. Return all equipment to avoid loss when you leave the beach. Do not expect the caretaker to pick up your beach equipment. Anyone may certainly ask for assistance if the caretaker and/or beach boy is at the Club.
7. Members and guests should stay out of the living room when wet or sandy. Use the side entrances to the kitchen and dressing rooms. Everyone should rinse their sandy feet before entering the dressing rooms and shower areas.
8. The last person to leave the Club is responsible for locking all doors and windows. All lights (except those on photo sensors) should be turned off and all equipment should be put away. Check that the stove and barbecues are off.
9. Members should limit the number of cars per family in the parking lot, especially on busy weekends and in particular on the night (typically just before or after July 4th) that 'The Beach Club' is setting off fireworks. If a need for extra parking for guests is anticipated, members may park at the Annenberg Community Beach House where they have different parking rates during the year, and some reservations. This can be viewed at annenbergbeachhouse.com or by calling (310) 458-4904.
10. Members and guests should be aware that the City of Santa Monica prohibits drinking alcoholic beverages and smoking on the public beach.
11. Under no circumstances may a member bring a dog or other pet inside the clubhouse. Pets are not permitted anywhere at the Club on weekends during the summer season.

12. Children under the age of 16 should **never** be at the club without adult supervision. Children 16 and over may use the club without an adult present until **6:00 P.M.**, but no later.
13. Children should try to stay out of the kitchen unless specifically asked to help- During cocktail hour children should stay off the “Neville Lookout” where the built-in seating with cushions and the umbrella are located. Parents should at all times be considerate of other members and their guests regarding the behavior of their children.
14. Children should not use the club hose/water for play purposes.
15. There are always special circumstances to be considered. If in doubt about any rule, either expressed or implied, please check with one of the members of the Board of Directors for clarification.
16. The first aid kits are located in the linen closet just inside the Women’s Locker room on the left side.
17. Smoking is not permitted at the Club.

II. POLICY ON GUESTS

1. Members (all categories) may have **only one guest family** or equivalent of two adults with or without children on Wednesday and Sunday nights **during the “On Season.”** On Saturday nights, a member may bring two couples plus their minor children. Larger groups should be considerate of other members.
2. Up to four adult guests per member [with their children] are permitted without reservation on other days during the "On Season.”
3. Members may have two families or the equivalent of four adults with or without children on any night during the **“Off Season”** without reservation.
4. Guests on July 4th are limited to house guests of members and dates of members or their children. Additional family members may be included upon requesting permission from the 4th of July

party hosts. PBC Parking lot is for Members Only on July 4th and on the evening that The Beach Club has its fireworks display (typically within a day or two of July 4th).

5. Under no circumstances shall members' children have a party unless their parents are present at all times.
6. Fraternity and sorority parties are not permitted without Board of Directors approval and responsible adult member present.

III. ASSOCIATE MEMBERS

Associate Members are not recognized as true members by the club bylaws. Associate Members have their memberships renewed annually by the Board of Directors. They have the same use privileges as full memberships with the following exceptions: 1) they have no vote, 2) they have no claim on the equity value of the Club, 3) their memberships cannot be sold or transferred and 4) their children are not eligible for Junior Membership. If the Board of Directors offers an Equity Membership to an Associate Member, that Associate Membership is subject to forfeiture upon the second refusal to accept an Equity Membership.

IV. JUNIOR MEMBERS

1. Upon reaching the age of 23 (prior to June 1st of the new fiscal year), children of members may apply for Junior Membership. Otherwise, Club privileges will not be extended unless as a guest of the parent.
2. Junior Memberships automatically expire when the member reaches the age of 36 on or before June 1st.
3. Junior Members who marry will be allowed to keep their memberships under the terms covered above.
4. Junior Members do not have the right to reserve the Club.
5. No initiation fee is charged, but annual dues as set by the Board of Directors are due upon receipt of a bill from the treasurer.

6. Application for Junior Membership must be submitted by letter addressed to the President any time of the year. The Board of Directors has sole discretion in accepting or rejecting applications. Junior Memberships may be revoked at any time at the discretion of the Board. In the event that a membership is cancelled by the Board of Directors, the dues will not be refunded.

Reservations Policy

1. The "Open Reservations" permit other members to use the Club as usual. Open parties are limited to 12 people (members and guests) unless a larger number is approved by the President or (in case the president cannot be reached) any two members of the Board of Directors. **These reservations should be booked at least seven days** in advance absent unusual circumstances.
2. "Closed Reservations" require all other members to vacate the Club by 6 PM and the facility is for the exclusive use of the reserving member and his/her guests. The reservation must be made one week (seven days) in advance and is limited to 75 people (including guests and members, but not paid staff). If requested and approved by the Club President or (only if the President is unavailable) by two Board Members, a member may request to have guests arrive prior to 6:00 p.m. but may not close the club prior to that hour.
3. From October 1st to May 31st, the Club can be reserved any evening except Wednesday and Sunday evening. Saturday nights may be reserved a maximum 3 times per member per year. The first Saturday of each month during the "Off-Season" shall remain open for members use and cannot be reserved. The Club cannot be reserved "Closed" on the following holidays: New Year's Day, President's Day, Memorial Day, Labor Day, Thanksgiving and Christmas Day.
4. From **June 1st to September 30th** of each year, the Club may not be reserved on **Wednesday, Saturday, or Sunday**. There is no limit to the number of reservations made by a member on Monday, Tuesday, or Thursday. Friday maybe reserved

"Closed" or "Open" only once per "On-Season" (June 1 to September 30) per member. The Club may not be reserved on the Friday before an official Club Party or on the third of July, the Fourth of July, or the night of The Beach Club fireworks show (generally July 1, 2, 3, 5, 6 or 7. Members reserving in that period are responsible for contacting The Beach Club to confirm the date).

5. Exceptions to the reservation rules are not encouraged and not available for any Wednesday evening, Saturday any time during the "On-Season," and Sunday at any time. Other exceptions may be made by the Club President or (only if the President is unavailable) by two Board Members. If approved at all, exceptions may be made contingent (as is directed by the President, or the approving Board Members) on:

(a) Minimizing inconvenience to other members when possible (choice of dates, choice of times, possibly accommodating other members who do show up during the function), and

(b) Notice provided to all members by having the reservation posted on the online calendar by the reservation coordinator at least one week in advance.

6. Reservations should be made through the Palisades Beach Club website (www.palisadesbeachclub.com) under "Reservations" section. If a member does not have access to the Internet, reservations should be made by calling and confirmed by Suzy Miller. If leaving a message, please list the type of reservation (Open/Closed), the date, time and how many guests will be attending. All reservations must be made no later than one week prior to the event. This will allow time for members to make plans for the upcoming week. Insofar as possible, a duplicate calendar will be posted at the Club, but it is not official and may vary from that of the website. Please check the website before visiting the club, especially on Thursdays and Fridays during the summer season. To change or cancel a reservation, please submit the change request online under "Reservations". Reservation fees will be billed with dues for the next fiscal year in June.

7. Special daytime parties and meetings (more than four guests) may be allowed with permission in advance from the Club President or any two Directors if the President is not available. Such reservations will be considered "**Open**" and requests should be made through the "Reservation" website after approval has been granted. The number of guests and members present is limited to 12, unless a larger number is approved by the President or any two Board Members. No reservations are allowed on any Saturday during the "On Season" or on any Sunday.
8. Reservation fees apply year-round and are charged as follows:
 - a. 50 to 75 guests closed – Fee is \$150.00 + security
 - b. 30 to 49 guests closed – Fee is \$60 + security
 - c. 11-25 guests closed - Fee is \$50
 - d. 10 or fewer guests closed – Fee is \$40
 - e. Open Reservations (Evenings) – Fee is \$10
 - f. Daytime Reservations - Fee is \$10
 - g. Children's Parties (18 & under)
 - i. 1-10 guests - Fee is \$20
 - ii. 11+ guests - Fee is \$40 plus the cost to hire Gustavo

Fees are payable to Palisades Beach Club and will be billed with the annual dues. These fees may from time to time be changed by the Board of Directors. If the number of guests is **not specified at the time, the maximum fee will apply.**

9. Any member hosting a party of 30 people or more is required to hire Gustavo directly to assist with parking, security, and cleanup, and to pay him a fee of \$25 per hour, with a 4-hour minimum. Gustavo must have at least a **ten-day notice** that his assistance will be needed.
10. A **\$25.00 Late Booking Fee** will be added to your reservation fee if reservation is not made a week in advance. Any reservation made less than one week in advance shall be considered an "Open Reservation" and will be limited to 12 people. Other members may use the club with or without guests, even if the reservation has been processed and put on the website calendar. An exception to the number of people allowed may be granted by the Club President or (only if the President is unavailable) by two Board Members.
